
Carter Craft Boat Registry – Jan/Feb. 2015 Update

Web Site: www.cartercraftboatregistry.com

Meet Carter Craft Boat Registry's Newest Member's:

Joe Barletto's 1958 14' Sea Lark, #8219, located in Florida, needs some loving restoration work. He purchased it with a 1957 35 HP Johnson Javelin Super Sea Horse outboard motor with the original trailer.

Joe planned to restore the boat, but now he is up for selling or trading it. This boat is very desirable and has beautiful lines. He has a price of \$1,500 on the boat, or will trade it for a turn-key small aluminum fishing boat, motor and trailer. His phone number is 352-472-3317. His e-mail address is riccicitat@gmail.com Please contact him for further information.

Rick Pressley, Florida, purchased the above 1957 16' Sea Hawk, #6742, from the Minnesota owner in September and hauled it back to Florida on a tatum axel car trailer. Rick owned a Sea Hawk when he was 18 years old and wanted to replace it. The boat was fully restored in 2006 and has been in many Minnesota boat shows. On the trip down to Florida, the car trailer lights failed, so rick plugged the boat trailer lights to his truck. Must have looked weird during night driving from behind.

Rick uses the boat on Lake Okabogee and will possibly show it at the large Mount Dora boat show in Florida. He has documented the first voyage's on the lake with lots of pictures.

Current Status of the Carter Craft Boat Registry;

- The Carter Craft Boat Registry now has (38) members with one or more Carter Craft boats.
